

KNOW YOUR ART!®

At **Know Your Art** we believe in building experiences and products that light up a child's curious and creative mind.

With conversations on art history and what inspired master artists around the world, over a sharing of ideas and trivia, our young artists create their unique artwork themed around significant creations and styles of the great masters. Sharpening visual and motor skills, these interactive experiences spark creative confidence, along with a deeper appreciation and connection between art and the world around. Using varied art mediums and techniques, coupled with exploring different artist movements, children continue to be engaged and are eager to know more.

This year **Know Your Art** partnered with **Mumbai Mobile Creches (MMC)** and has curated some wonderful workshops to draw out childrens' creativity using colours. The artist in focus has been **S. H. Raza**. We are extremely grateful to the **Raza Foundation**. While you use this calendar, we hope you enjoy viewing the endearing moments we have had at the Mumbai Mobile Creches.

Mumbai Mobile Creches is a grassroots non-profit that works to provide education, nutrition, and healthcare to children of migrant workers living on construction sites and other marginalised communities. MMC is the only organisation that has run comprehensive day care centres on construction sites for the last 51 years. MMC's day care centres act as an island of safety for children amidst hazardous situations. In addition to comprehensive day care programmes, MMC also runs other models of childcare to reach out to vulnerable children. Currently through MMC's various childcare models, every year they reach out to over 3,000 children living on construction sites, brick kilns, stone quarries and in slums in the Mumbai Metropolitan Region.

Organisation Vision and Mission

MMC's vision is for all children to have a nurturing and happy childhood. MMC's mission is to promote 'child-friendly sites'; where every child living on a construction site is safe, healthy, educated, and able to enjoy their childhood.
